

**p1 - Users Thomas (right) and Santiago (left) log in after a fresh DB reset showing all unread messages from each thread**

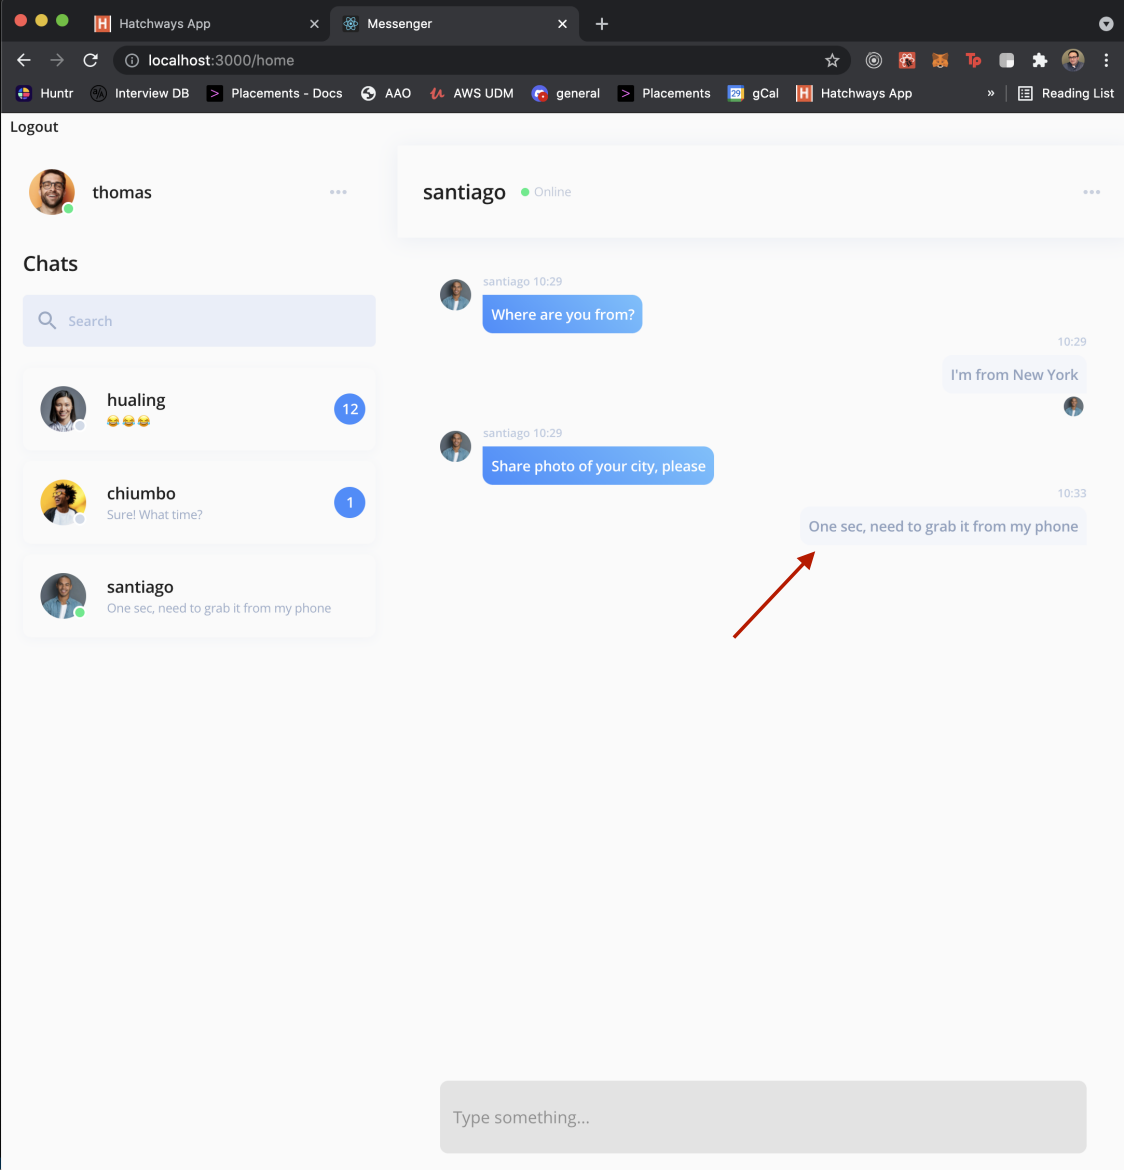

**note: all messages now have an 'unread' field set to 'true' by default**

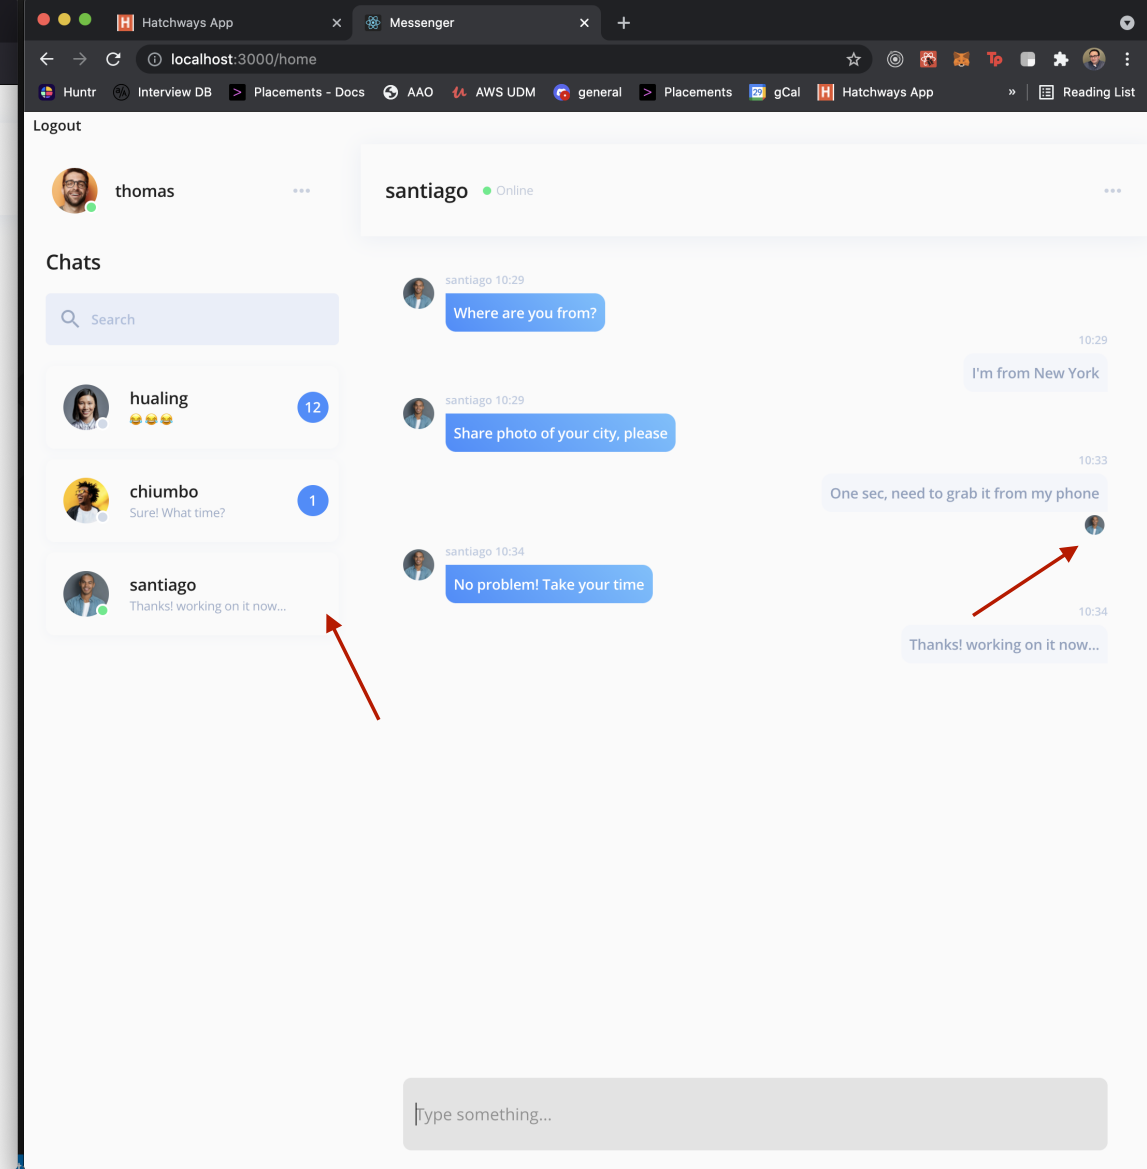

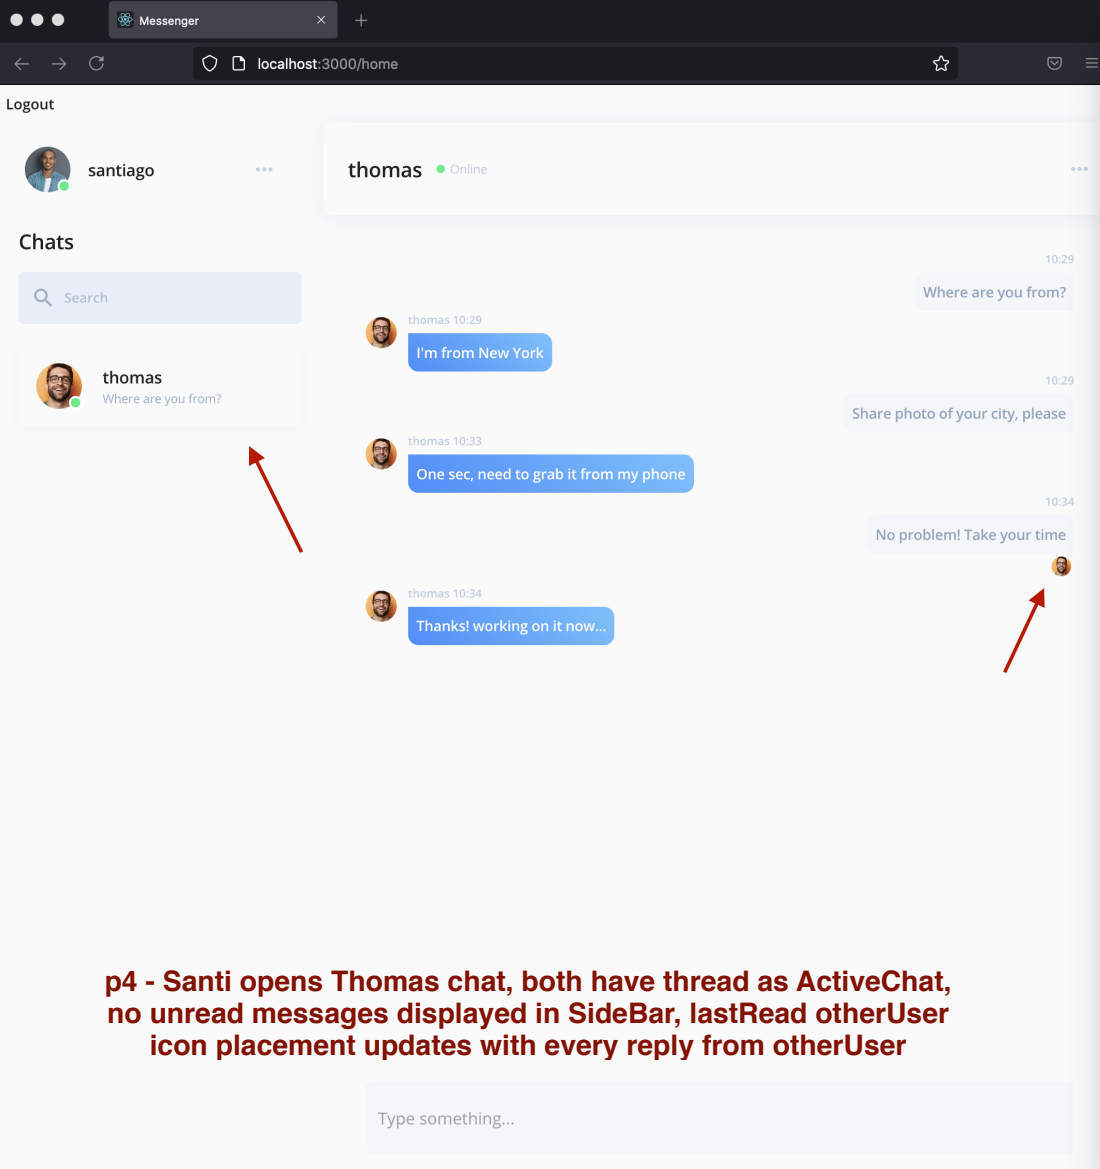

p2 - Thomas (right) clicks on Santi thread, unread message count resets

**p3 - Thomas (right) replies on Santi thread, Santi unread count increments**

**p4 - Santi opens Thomas chat, both have thread as ActiveChat, no unread messages displayed in SideBar, lastRead otherUser icon placement updates with every reply from otherUser**

One sec, need to grab it from my phone

No problem! Take your time

10:34

thomas 10:34  
Thanks! working on it now...
